I also support this application. The extension would be entirely consistent with the recent decision of the licensing panel and would be a welcome boost to this area and its independent shops.
Many thanks

Dear Jonathan

I just wanted to write in support of Truffles application to extend their opening hours til 10pm. This will give them an opportunity to sustain their business and take advantage of the fact that many residents work until late and need to be able to pop into this high class deli and buy pasta, cheese and a bottle of wine or craft beer. Truffles has just been granted a license to serve alcohol of this kind.

This is already a street with a number of shops and a local pub next door which is open until 11pm and many residents support Truffles and the service it provides locally.

Thanks so much.

All best

Sally
