Your comments on the planning application: Dear Sirs,

I have received a second Town and Country Planning Order, Application for Planning Permission from Mr Geoffrey Gay at Lindmead Ltd.

I would like to formally register my objection to this proposal for the following reasons.

1. I live in Flat 15 and part of the appeal of my home is the absence of people living above. I feel that to build two new apartments above would create an unacceptable amount of noise. Also, any building above would significantly reduce the value of my property.
2. A dedicated service elevator would impede on H&S regulations in regards to accessing the rear fire escape. And there would be increased noise pollution because

of the elevators.

3. The building is on the edge of a conservation area and is a beautiful example of Art Deco, built in 1933, architect Peter Caspari, and any flats built on top would detract from the building's appeal.

As a resident of Weech Hall I would like to point out that we have been offered no consultation process, or even access to the plans. Please could you acknowledge receipt of this letter and also acknowledge my objection to the proposal. [REDACTED]

[REDACTED]  
Yours faithfully,

Stuart Thompson
