Subject: Application 2014/7587/P 23 Downside Crescent NW3 2AN

This email is to notify you that on behalf of myself and my family who live at the adjoining property 25 Downside Crescent I object strongly to this application.

I shall be setting out the grounds of objection shortly ,having received notification of it just before the Christmas/New Year break. The documentation accompanying the application is lengthy and technical, as are the Council's hydrological and geological studies on basement developments. It is therefore unreasonable for the Council to allow only 21 days from the date of its letter and a decision on the application cannot properly be made without giving a more reasonable period for comments.

Yours faithfully
David Hawkins
