Dear Sirs

**Town and Country Planning Act 1990 (as amended)
Application for Planning Permission
11 Primrose Hill Road, London NW3 3DG**

We enclose for officers attention and consideration a planning application at 11 Primrose Hill Road on behalf of our client, Mr Osoba.

Planning permission is sought for: -

"Erection of an end of terrace dwelling house comprising ground and two upper storeys (Class C3) and associated works".

No. 11 Primrose Hill Road is an end of terrace property at the southeast corner of the Chalcots Estate. It is owned by the applicant. This proposal seeks to provide a new self-contained dwelling house immediately adjacent to No. 11, on an area which is currently hardstanding. The new house has been designed so that it would match the 1960s terrace in terms of height, width, materials, detailing, roof form, colour and fenestration.

An application (2014/4514/P) proposing a three-storey plus basement single family dwelling house and associated landscaping works (Class C3) was refused planning permission on 5 September 2014. This application proposes a similar scheme with the exception of a basement level.
