| 2014/7412/P | Kumiko Hirayama | Flat 2 57 Hampstead High Street NW3 1QH | 08/01/2015 18:19:57 | SUPPRT | The proposed extension is invisible from neighbouring properties by introducing the green roof and the surrounding plantation. I believe that the proposed design is well considered, in order not to cause any disruption for neighbours. Therefore, this application should be recommended. |
