2014/7567/P	Janine Griffis	14 Denning Road NW3 1SU	05/01/2015 14:23:43	OBJ	<p>On behalf of the Pilgrim's to Willoughby Residents Association, I make the following objections to this application:</p> <p>The proposal is an overdevelopment of the site and would result one barely adequate two-bedroom flat and one sub-standard one-bedroom flat;</p> <p>The current maisonette with garden is suitable for a family and family accommodation is much needed in this conservation area, rich in excellent schools but damaged by the impact of school-run traffic;</p> <p>Furthermore, the proposed development, particularly of the one-bedroom flat, and the subsequent loss of a moderately affordable family residence would be contrary to CS6 and DP5.</p>
