2014/7649/P	Andreja Kmetovic	17 Hall Oak Walk NW6 2BQ	05/01/2015 15:30:21	OBJ	<p>Design, size and height of new 11 storey building is wrong, unacceptable and will cause just more problems. The original plan has been revised and the bulk of the 105 flats will be in a 14- (or 11 storey?) high building as well as lower-rise units. That's higher than the tallest Ballymore block at West Hampstead Square. Only 13% of locals support the Liddell Road Tower.</p> <p>How do they justify the Kingsgate School expansion into this area? Local residents with their kids should have priority, logistical solution.</p> <p>Loss of light and the privacy of neighbours</p> <p>Noise from new uses and future works</p> <p>The impact of development on traffic parking and road safety</p> <p>It's not all about MONEY, there must be some kind of logic and common sense.</p>
2014/7649/P	Lucy Campbell	Maygrove Road	05/01/2015 13:32:06	OBJ	<p>I am very concerned about the increased traffic from the school, the fact that I will not be able to send my children to this school, and the total lack of affordable housing. Additionally the displacement and lack of finding alternative working space for the business's currently resident is a disgrace.</p>
