3. Description of the Proposal						
Please describe the proposed development including any change of use: The application is for retrospective planning approval on 1 x existing Comms room air conditioning external condenser unit. Also seeking planning approval for 1 x new condenser unit that is the same make and model as the existing unit. The new unit is to be installed adjacent to the existing as can be seen on the proposed plans. The new unit is to be used as an emergency back-up for the existing unit. Only one unit will ever be running at anyone time so there is no additional noise coming from the site. Both the new and existing units are to be installed below the top of the basement wall which is at ground level. Yes No
