Planning application address..... Westminster Kingsway College

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

Submitting an application on 19 December does not inspire confidence. No consultation by the College with residents at Grayland Court and 1-7 Heathcote St and 201-207 Grays Inn Rd.

We are already aware of noise from the plant rooms on top of the College and this application proposes more.

It should therefore be strictly controlled.

Please continue on extra sheets if you wish
