This is a perfect location for him to practice and I'm sure will have many positive outcomes for the local community and beyond.

2014/7784/P	Elizabeth LaMaster	47 Townshend Road NW8 6LJ	12/01/2015 16:48:26	SUPPRT	I support the commercial change for this property and believe that a fitness facility will be an asset to the area.
2014/7784/P	John LaMaster	47 Townshend Road London NW8 6AE	10/01/2015 14:45:35	SUPPRT	I fully support this change of use and this application. A personal fitness facility and ancillary treatment rooms are much more beneficial to the community than the previous retail use (a stereo store). I encourage approval of this change of use and application at the earliest possible time, in order that these benefits to the community can start as soon as possible.
2014/7784/P	Virilo Moro	7 Hamilton Terrace	10/01/2015 20:43:04	SUPPRT	I strongly support this application
