

The contractor is responsible to ensure that no products are to be worked that do not comply with national Building and/or European Standards subject to the Building Control Regulations, and/or conditions of the Building Regulations, and to the satisfaction of the Health and Safety Executive or its authorised officers. The contractor is responsible for providing all necessary health and safety measures. This drawing is to be used in conjunction with all relevant consultation or specialist drawings. Any other drawings shall be referred to Bailey Garner LLP and revised before proceeding with the works. Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figure dimensions to be worked to in all cases.
