2014/7720/P	stephen lewis	1 lyttelton close london NW3 3SR	15/01/2015 11:05:24	NOBJ	<p>This proposal mirrors that opposite where an additional floor was added about 2 years ago. I think this has been done sympathetically and blends in very well with the existing dwellings prior to the extension.</p> <p>Frankly if one was not aware of the presence of the additional floor, it would be difficult to note that anything had been added.</p> <p>I believe that the current application mirrors that carried out opposite and I cannot see any objection. It appears to satisfy the daylight and sunlight criteria.</p> <p>Previous application for additional floors on the estate in Fellows Road have not been so in keeping with the existing design so that is why I think this proposal is far better - it being in total harmony with the current design</p>
