2014/7778/P	Nicola Bye	Flat 1 Giles Building	15/01/2015 20:07:45	OBJ	This application does not seem to be in keeping with surrounding residential properties. Also there are numerous restrictions to access in that area and would cause a lot of disruption to nearby residential properties and school/nursery. We are concerned how this work will be undertaken and deal with the amount of construction traffic down Streatley Place.
