2014/7955/P	Ben Shaw	7 Clifton Hill London NW8 0QE	15/01/2015 16:46:46	COMMEM AIL	I represent the Freeholder at 72 Charlotte Street The noise report does not state the locations of where the 34db noise levels will be situated. I would have expected to see a plan of the expected noise levels at particular locations in order to be able to be sure that the noise levels at 72 Charlotte Street will be adequate
