Dear East Area Team

Planning application 22014/7292/P4 Wedderburn Rd, NW3 5QE

I have already commented on this, but did not realise at the time the full extent of this proposal. I am writing to say that I fully agree with all the points made in the letter on behalf of the freehold company of 19-12-14. I should like to emphasise in particular the misery this is going to inflict over a long period; I am in my 80's and at home most of the day, so will get no relief from the noise and disturbance. If, as seems likely, there is damage to Andrew Court, this will mean subsequent repairs to our own building and further loss of amenity.

It is outrageous that wealthy people should be able to inflict serious damage on their neighbours to satisfy their own desire for unnecessary extra amenities. I beg you to have the courage of Kensington and Chelsea and say no to this kind of proposal.

Yours faithfully
