Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

following approved plans- 154(P2)-100, 200-206, 210-217, 220-226, 300, 301, 310, 311, 320, 321, 400-402, 410-413.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 Details of the materials, including samples as appropriate, of the mansard roof, dormer windows, balconies, privacy screens, new fenestration and shopfronts shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun.

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape,

access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to be paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to [CIL@Camden.gov.uk](mailto:CIL@Camden.gov.uk)

- 4 You are advised that this proposal will be liable for the Mayor of London's Community Infrastructure Levy (CIL) as the additional floorspace exceeds 100sqm GIA or one unit of residential accommodation. Based on the Mayor's CIL charging schedule and the information given on the plans, the charge is likely to be £6200 (124sqm x £50). This amount is an estimate based on the information submitted in your planning application. The liable amount may be revised on the receipt of the Additional Information Requirement Form or other changing circumstances.

- 5 In good time, prior to the start of construction (or if appropriate, demolition) on site, the contractor shall discuss and agree with the Council's Engineering Service Network Management team (tel: 020-7974 2410) detailed arrangements for the transportation of goods and materials to and from the site. The Council will prosecute those responsible for any breaches of the provisions of the Highways and Litter Acts which occur as a result of construction on the site.
- 6 This permission is granted without prejudice to the necessity of obtaining consent under the Town and Country Planning (Control of Advertisements) (England) Regulations 2007. Application forms may be obtained from the Council's website, [www.camden.gov.uk/planning](http://www.camden.gov.uk/planning) or the Camden Contact Centre on Tel: 020 7974 4444 or email [env.devcon@camden.gov.uk](mailto:env.devcon@camden.gov.uk).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
