Robert Issacs
93 Hillway
Highgate
London N6 6NB

Dear Mr Issacs

Re: 93 Hillway, Highgate, London N6 6AB

We have been given revised planning application drawings showing that the pool house has been extended by a further 2m.

Having considered this alteration structurally we confirm that this revised proposal will not alter our comments on the impact assessment report and this additional 2m will not change the concept of the structure.

I trust this clarifies our views on this matter.

Yours sincerely

Peter Zussman
