The proposed internally illuminated projecting sign and external hanging sign are considered acceptable in terms of size, design, method of illumination and location and would preserve and enhance the character and appearance of the host property and the conservation area. Furthermore, the proposal will not impact on the neighbour's amenity nor will they be harmful to either pedestrians or vehicular safety.

The site planning history has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 and of the London Borough of Camden Local Development Framework

Core Strategy, and policies DP24, DP2S and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2011; and paragraphs 14, 17, 56-67 of the National Planning Policy Framework.
