F/AO Carlos Martin.

Dear Sir,

with reference to the above planning  
notice -

This is of concern to me as a top  
floor resident, in particular the changes  
to the fire-escape stairway. The  
dedicated lift is also eldest.

This is an Art-Deco style building  
on the edge of a conservation area  
and should be preserved in its  
original design.

Any changes will be vigorously  
opposed.

Yours Faithfully
