Planning application number..... 2014/7804/P & 7153/P

Planning application address..... 20 OAKFORD RD. NWS IAM.

- ~~I support the application (please state reasons below)~~   
I object to the application (please state reasons below)

Your comments

I strongly object to this planning application.

- The development would encroach on the privacy of my house & garden, in that it brings living accommodation closer to my dwelling.
- The development is adjacent to, & <sup>the land in which it sits</sup> abuts the edge of my back garden.
- The loss of back garden, in an otherwise uniform victorian terrace, must surely be resisted.

  
82 Burghley Rd.  
(the website states applicn withdrawn - please conform).
