Dear Mr. McDougall,

Planning Application Consultation – 140-246 Camden Street

I write regarding the much-anticipated Christmas Eve re-application for this important site.

All my previous objections still stand – an inappropriate development, completely out of scale, and devoid of merit.

It is interesting to note that the applicant, instead of waiting until early in the New Year, to proudly unveil their plans to popular acclaim, felt so ashamed of them that a Christmas Eve launch was deemed more appropriate.

Yours sincerely,
