11A Primrose Hill Road  
NW0 9DQ.

Application Ref 2014/7856/P

Dear Mr. McClus,

Thank you for informing me of the proposed building of a 3-storey house on the above site.

I am the owner/occupier of 60 King Henry's Road, which is adjacent to the site.

If a new house is built as intended it will project southwards beyond the build line of the existing houses in King Henry's Road. As a result, I would lose sunlight from my

house (the nearest to the proposed building),  
which would inevitably become a colder  
and darker place, as well as a noisier one.

I am, therefore, opposed to this  
planning application.

Yours faithfully,

(DR. J. A. JONES)
