2014/6297/P	Lynne Clayton	Lavender Cottage Station Road Cotton Stowmarket IP14 4NQ	20/01/2015 16:50:28	PETITNSU PP	I frequently work at Andy Seymours photographic studio at 3 Colonnade. I am in support of the planning permission for security shutters. On several occasions my work has been disrupted by break-ins and theft at the studio which I believe is why Police recommended the shutters were installed in the first place. Since they were in place there have been no attempts to break in. Working as a freelancer I would feel very vulnerable and insecure working at this address and almost inclined to take my services elsewhere should they be removed.
