2015/0085/P	Jonathan and Amanda Checkley	27 Oakeshott Avenue London N66NT	25/01/2015 20:46:33	OBJ	We object to this planning application because the dormer window will increase in size, out of proportion to the rest of the house and out of proportion to other dormer windows in the area which face onto the street. We feel it is important on the Holly Lodge Estate to maintain a consistent look to the elevations of houses which face onto the street.
