2014/7800/P	Michael Romberg	Flaat 7 Maxclif House Tottenham Street London W1T 2AG	18/01/2015 10:43:34	OBJ	I object to the proposed development. Having a serving hatch opening directly onto the pavement will lead to blockages of the pavement as people queue for food. Other places that serve take-away food do so from counters inside the shop. Tesco should do the same.
