Your comments on the planning application

Hello,

I am writing to object on this planning permission for the reasons below:

1. If planning application were to be granted, the proposed use of New End route for both the transport of construction materials and as site compound for the project, would have serious and prolonged implications in the neighbourhood, noise, and not least safety of children and residents

2. As a resident of New End, I am also concerned that overbuilding will destroy the unique historical characteristics of Hampstead which attracts many people from far and wide to visit
