Your comments on the planning application

My flat is on the ground floor of Walham Court the building right next to the 'eastern wing' of Englands Lane Residences. I have a balcony overlooking Haverstock Hill and level with the open space area between Walham Ct and the Residences. I shall be most affected by the proposed redevelopment from the point of view of noise, traffic and congestion during the period of refurbishment and construction of the rear extension which will take many months, but most importantly for me SECURITY both during and after redevelopment. I strongly object to the proposed application.
