Dear Sir/Madam

DECISION

Address:
11 Gayton Road
London
NW3 1TX

Proposal:
The erection of mansard roof extension.

Drawing Nos: 101 (P), 102 (P), 103 (P), 104 (P) C.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise

specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans 101 (P), 102 (P), 103 (P), 104 (P) C.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The front elevation of the mansard extension would be behind the parapet and have a similar design to the existing mansards at the adjacent properties and along the street.

The proposed windows would be in line with the existing first and second floor windows and would match in terms of materials and proportions.

The proposals would not result in any harm to the character and appearance of the host building the terrace, or the wider Hampstead Conservation Area.

The proposed roof extension, owing to its limited bulk and location would not harm neighbour amenity in terms of daylight, sunlight or outlook. The proposed rear terrace would not give rise to any unacceptable loss of privacy.

No objections have been received. The relevant planning history of the site was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the National Planning Policy Framework.
