2015/0020/P	Clare Melhuish	44-45 Highstone Mansions 84 Camden Rd	27/01/2015 17:06:20	COMMEM AIL	The proposed development will significantly obstruct the view from and light into Flats 34 and 35 of Highstone Mansions. We request more clarification on the relationship between the proposed development and flank wall of Highstone Mansions, which isn't shown in the drawings. In principle, we object to any further subdivision, over-development and over-occupation of the properties on Lyme Terrace and Royal College Street, incorporating external roof terrace spaces. This is causing increasing pressure on the immediate neighbourhood especially in terms of noise from parties on the outdoor spaces at all levels, including the back garden of the Cobb Gallery which is used regularly for private views.
