

Application No:	Consultees Name:	Consultees Addr:	Received:	Comment:	Response:
2014/7344/P	Jennifer BENTLEY	5th Floor 8-12 Camden High Street London	26/01/2015 16:19:34	OBJ	<p>Dear Ms Ampoma,</p> <p>[The objections below are unchanged from those emailed to you on 4th November 2014, in response to the consultation process from the earlier planning application 2014/6039/P that was subsequently withdrawn and now resubmitted under the new planning application reference 2014/7344/P ]</p> <p>Our company 3DD Entertainment Ltd is based on the 5th floor of 8-12 Camden High Street and we are the original commercial tenants of this 5th floor, once it had finished construction in September 2007 and suspended on top of the existing 4 storey building .</p> <p>We strongly object to this planning application for the following reasons :-</p> <p>In the application (for the prior approval) JCP Planning acting for the landlord, wrongly state that occupation of the 5th floor 8-12 Camden High Street is residential – in fact it is not – as we have been commercial tenants since the 5th floor was constructed in September 2007 on a 10 year lease expiring September 2017, so in our view the planning application should be resubmitted.</p> <p>We are a 20 year established company and an employer of 10 permanent staff and 8 freelancers in the creative industry of TV production with links to KOKO (formerly the Camden Palace ) at no 1 Camden High Street where our music shows were produced.</p> <p>Our company have been commercial leaseholders in Camden High Street for 16 years (in this building 5th Floor 8-12 Camden High Street for 6 years and 10 years prior at 190 Camden High Street). We have no alternative premises to go to, if this building were to be converted to flats.</p> <p>I have requested email updates on the status of this planning application. Let me know if you need further information.</p>
