2014/7812/P	The Heath and Hampstead Society	19 South Hill Park Gardens London NW3 2TD	26/01/2015 15:40:24	COMMNT	The site of these extra cabinets is extremely prominent and placed in a potentially beautiful part of the Heath. Over the years this part of the Heath has been cluttered with a line of cabinets. Is there any possibility of making the telecom installers of this equipment move unwanted and redundant boxes? In this case, could the installer incorporate the equipment in one cabinet? Does Camden have the right to refuse this application?
