2014/7900/P	Oliver Rogan	40 burrard road london nw6 1dd	27/01/2015 17:01:41	COMMNT	Can we see elevations of how the gutters, windows doors are going to work. The brick wall I take will be of similar colour to the house. The wall is to be built very close to 40 Burrard road wall how can this be sealed properly. I cant see any sections showing the gutter and the roof build up. regards Oliver
