Dear Sir/Madam

**RE: THE PROPOSED NEW INSTITUTE OF IMMUNOLOGY AND ADJOINING FACILITIES AT THE ROYAL FREE HOSPITAL IN HAMPSTEAD NW3 - Reference number 2014/6845/P**

I am writing to voice my approval and endorsement of the proposed scheme.

I think it will be of great benefit to the local community and also those afflicted by the chronic diseases it will help to treat worldwide.

Aside from the benefits for the patients, I consider that understanding and finding treatments and cures for chronic diseases is the only way of helping to reduce the NHS costs in the long run and is vital, so this scheme has my full backing.

Perhaps I should add that I am the principal of this practice and am a lawyer of vast experience, having sat as a Deputy Judge for over ten years. I have also sat for many years on a London Medical Research and Ethics Committee.

Yours faithfully
