many years out of date, and do not take into account our existing conservatory dining room on the raised ground floor of our flat (please see planning consent 2013/4441/P). The photos provided were taken before that development, many years ago.

(6) We are concerned that Robert Savage is providing misleading information. We would welcome the opportunity to meet with a representative of the planning department at our home to illustrate our objections at first hand.

Many thanks.  
Paul & Emily Christensen
