Your comments on the planning application

I object to planning application 2014/7596/P on the following grounds
PRIVACY
The proposed windows at the rear of the building look closely at flats in The Chesterfields.
At present most of the windows are opaque below the mansard roof but planning being sought is for all windows on 1st and 2nd floor to be clear thus causing lack of privacy to The Chesterfields residents.
NOISE
From residents cars at the rear.

Cars being used by residents of the new flats are liable to cause a large increase in noise (due to the enclosed space of the courtyard) when used in the evening and early morning especially disturbing as many of the bedrooms look on to the rear.
