2014/7316/P	Peter Hase	Flat 1 61a Endell St London WC2H 9 AJ	28/01/2015 21:53:39	COMMNT	<p>I reside a flat at 61A at the back of the property and understand that the planning permission granted in 2003 (Ref:2003/0755/L) had certain restrictions in relation to requiring non-opening and obscured windows (item 4). This was in order to provide "protect and preserve the amenities of nearby occupiers". Can you please ensure that any new permission granted maintains this requirement/restriction.</p> <p>It is a ket aspect of noise and privacy that the windows are not in breach of the planning order mentioned above.</p> <p>Peter and Gabrielle Hase, 61A Endell Street., London, WC2H 9AJ</p> <p>Tel 0207 419 6896</p>
2014/7316/P	Mark Middleton	Flat 5 61a Endell Street London WC2H 9AJ	28/01/2015 16:30:14	COMMNT	<p>I do not object in principle to the conversion, subject to the following comments. I note that the original consent 2003/0755/L granted when this property was converted to residential accommodation provided certain restrictions on the situation and style of windows to be installed and maintained. In particular, it was required that certain windows were not able to be opened at all or beyond certain prescribed limits in order to protect the interests of neighbouring properties. Any new permission should be subject to the same restrictions.</p>
