2014/7851/P	Judy Booth	3 Prince Arthur Road London NW3 6AX	29/01/2015 10:24:18	OBJ	<p>I object to this development on the following grounds:</p> <p>The proposed building will be much higher than current building and take light away from houses opposite in Prince Arthur Road.</p> <p>2. There will be hugely increased traffic into Prince Arthur Road from residents and staff to the residence, not to mention home deliveries from the likes of Ocado. The road is not wide and already suffers from rat run traffic during term time.</p> <p>3. This is a huge redevelopment. How on earth is the area going to cope with the construction traffic over two years?. Fitzjohn Ave/Heath Street is already at a stand still for many hours a day. It is not fair to the council tax paying residents of the road that the road becomes a lorry park and the noise, dirt and disruption to the neighbourhood will be immense.</p>
