ALLENSBURY PLACE

ELM FRIERS WALK

Notes:
 Proposed window designs to be checked for Building Regulation compliance and for adherence to Health and Safety requirements by LB Camden's appointed CDM Coordinator.
 Given that the internal layouts and any resident/ tenant modifications to flat internals are unknown, particular attention should be given to assessment of Building Regulation Part K (Protection from Falling) and Part N (Glazing Safety) as well as Health and Safety requirements.
 Contractor to assess each internal layout against proposed design to determine any necessary adaptations such as to window openings, latches and restraints and specification.
 All proposed windows to be double glazed.
 Proposed window designs to comply with Building Regulations Part F & Part L1B.
 Number of trickle vents minimised as much as feasibly possible & colour to match colour of proposed window frame.
