| To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.  |  |                            |                                |                      | sity       |
| Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:   |  |                            |                                |                      |            |
| a) Protected and priority species   |  |                            |                                |                      |            |
| Yes, on the development site  | Yes, on land a   | djacent to or near the pro | posed development              | <ul><li>No</li></ul> |            |
| b) Designated sites, important habitats or  | other biodiversity feat  | ures                       |                                |                      |            |
| Yes, on the development site  | Yes, on land a   | djacent to or near the pro | posed development              | <ul><li>No</li></ul> |            |
| c) Features of geological conservation im   | portance   |                            |                                |                      |            |
| Yes, on the development site  | Yes, on land a   | djacent to or near the pro | posed development              | <ul><li>No</li></ul> |            |
| Please describe the current use of the site:  Residential  Is the site currently vacant? Yes No  Does the proposal involve any of the following?  If yes, you will need to submit an appropriate contamination assessment with your application.  Land which is known to be contaminated? Yes No  Land where contamination is suspected for all or part of the site? Yes No   |  |                            |                                |                      |            |
| A proposed use that would be particularly   | y vulnerable to the pres   | ence of contamination?     | O                              | Yes • No             | )          |
| 15. Trees and Hedges  |  |                            |                                |                      |            |
| Are there trees or hedges on the propose  | d development site?  | ○ Yes (                    | No                             |                      |            |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'. |  |                            |                                |                      |            |
| 16. Trade Effluent  |  |                            |                                |                      |            |
| Does the proposal involve the need to dispose of trade effluents or waste?  Yes  No   |  |                            |                                |                      |            |
| 17. Residential Units   |  |                            |                                |                      |            |
| Does your proposal include the gain or lo   | ss of residential units?   | ○ Ye                       | s   No                         |                      |            |
| 18. All Types of Development: I   | Non-residential Fl   | oorspace                   |                                |                      | $\equiv$   |
| Does your proposal involve the loss, gain or change of use of non-residential floorspace?  Yes No   |  |                            |                                |                      |            |
