2014/7589/P	Mr Gabriel Leung	2 Tercelet Terrace Oak Hill Park London NW3 7LW	30/01/2015 12:27:15	OBJ	The proposed plan shows that an existing water tap will now be inside the proposed garage. This water tap needs to be relocated so access/use is available for all the residents of Tercelet Terrace; the water bill for this tap is paid for by all the residents of Tercelet Terrace.
