2014/7873/P	Mr Marko Milos	40A Rosslyn Hill Flat 1 London NW3 1NH	02/02/2015 08:57:30	OBJ	Please note that the proposed works at 5 Rosslyn Mews with the proposed build of a roof terrace will direct impact my view from my kitchen and bedroom, where I live and will affect privacy that I presently enjoy in these two areas of my flat. I have no objection to the internal works contemplated at 5 Rosslyn Mews but I strongly ask the developer and the Council to reconsider and decline the application of this roof terrace as it would directly impact me. Kind regards, Marko Milos
