## Summary of representations

### *(Officer response(s) in italics)*

The owner/occupier of No's 66 Hawtrey Road have objected to the application on the following grounds:

- Construction noise

Officer Response

*The construction works and associated noise are considered temporary in nature and able to be managed by the Control of Pollution Act 1974. The noise generated during construction is not considered grounds for refusal and the works are not of a scale which would warrant a Construction Management Plan. The neighbour is able to contact Environmental Health if*
