2014/7651/P	Eamonn McEntaggart	24 Holmesdale House West End Lane London NW6 4QU	03/02/2015 13:54:15	NOBJ	The expansion of Kingsgate School is a positive move towards ensuring children in the West Hampstead area receive the best education possible. The school has put in lots of thought into the split site school and has come up with a great solution to the distance. I support the whole scheme as I feel that offering more housing (including affordable housing) is a positive for West Hampstead.

2014/7651/P	Chris Negus	19 West hampstead Mews London NW6 3BB	03/02/2015 18:54:51	COMMEM AIL	The proportion of social/affordable housing in this scheme is completely inadequate. An 11 storey block will demand a compromise in perpetuity on the part of all those residents who live near the proposed block. Only a very significant increase in the amount of affordable/social housing would make such a long term compromise acceptable. As proposed the scheme is unacceptable.
2014/7651/P	Philip Turner	33 Minster Road NW2 3SH	02/02/2015 11:55:00	COMMNT	I am writing to register my support for the planning applications 2014/7649/P and 2014/7651/P relating to the proposed school at Liddell Road and the associated work-place and enabling residential development. There is no doubt about the urgent need to increase primary education provision in the area and, given the failure of the Government to adequately fund education and other capital projects it falls to the local authority to do this and Camden's Community Investment Programme has been created for that purpose.  The Council's proposals for the site address the community's need for additional primary school places and for employment provision, and do so on a viable basis recognising the limitations that obviously exist in the degree of other social expenditure, notably affordable housing, which can be provided on the site. This view is supported by the independent consultants tasked to examine this aspect of the scheme.
2014/7651/P	Shelley Dunbar	24 Holmesdale House West End Lane London NW6 4QU	03/02/2015 13:50:48	NOBJ	I think the development is a very positive step for West Hampstead. The need for school places has been proven by Camden LA and it's a fantastic opportunity to build housing and work space in order to pay for the school. Kingsgate Primary School is an outstanding school so it makes perfect sense to replicate such a great environment for children.  The new plans with the lower tower block fits into the scheme of the works. I think this is great scheme and support it 100%.
