Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
30 Mansfield Road
London
NW3 2HP

Proposal: Erection of single storey ground floor rear infill extension.

Drawing Nos: 1, 2 Rev 3, 3 Rev 3, 4 Rev 1, 5 Rev 1, 6 Rev 1, 7, 8 Rev 3, 9 Rev 3, 10 Rev 1, 11 Rev 1, and 12 Rev 1.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 1, 2 Rev 3, 3 Rev 3, 4 Rev 1, 5 Rev 1, 6 Rev 1, 7, 8 Rev 3, 9 Rev 3, 10 Rev 1, 11 Rev 1, and 12 Rev 1.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed single storey ground floor rear infill extension is subordinate in scale and location to the three storey host building, and respects the character and setting of the terrace and neighbouring buildings. The infill extension would not extend beyond the depth of the outrigger, limiting its visibility and thus impact on the character and appearance of the conservation area.

The extension would be constructed in brick to match the existing house. The simple modern design of the double glazed aluminium framed rear sliding doors and glazed roof is not considered to harm the conservation area.

Amended plans were submitted to reduce the height of the proposed flank wall on the boundary with the adjoining neighbour, No.32 Mansfield Road, from 2650mm to 2100mm. Such revision meant that it would not harm the neighbour's amenity in terms of the loss of natural light, outlook, privacy, light spill or added sense of enclosure.

No objections were received prior to making this decision. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.66 (LB's) and s.72 (CA's) of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development

also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, and 56 -66 and 126-141 of the National Planning Policy Framework.
