5 February 2015

Dear Sir/Madam

DECISION

In accordance with section 60 (2B) and (2C) of the Town and Country Planning Act 1990
(as amended by section 4(1) of the Growth and Infrastructure Act 2013)

Process set out by condition J.2 of Schedule 2 Part 3 Class J of the Town and Country
Planning (General Permitted Development) Order 1995 (as amended by SI 2008 No. 2362
and SI 2013 No. 1101)

Certificate of Lawfulness (Proposed) Prior Approval granted

The Council, as local planning authority, hereby confirm that their **prior approval is granted** for the proposed development at the address shown below, as described by the description shown below, and in accordance with the information that the developer provided to the local planning authority:

Address of the proposed development:**16-17 Wolsey Mews**
London
NW5 2DX**Description of the proposed development:**

Change of use from offices (Class B1) at ground & 1st floor levels to residential use (Class C3) to provide 2 x 1-bed units.

Details approved by the local planning authority:

Drawing Nos: 141130/01,02,03,04,05

Reason for approval:

Informative(s):

1 Reason for granting.

The proposed change of use from (B1) offices to (C3) residential use is permitted under class J of the Town and Country Planning (General Permitted Development) Order 1995 (as amended). The development is likely to result in a material increase / material change in the character of traffic generated within the vicinity of the site. It is therefore considered necessary to remove the occupier's ability to apply for parking permits by requiring the applicant to enter into a S106 legal agreement to ensure that the development is car free.

Due to the site constraints it is not possible to provide covered cycle storage it is considered that this requirement can be waived in this instance according to the transport officer.

The site is not identified as being at risk of surface water flooding, no external works are proposed and the proposed unit is located above ground level it is considered that a flood risk assessment is not required in this instance. The site is not identified as falling within an area designated as contaminated land and therefore no issues are raised in this respect. Given that no external works are proposed it is considered that the proposal would not significantly harm the amenity of any adjoining residential occupiers in terms of loss of light, outlook, enclosure or privacy.

14 neighbours were consulted, a site notice displayed and a public notice published in the local press. No objections have been received. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with chapters 4, 10 and 11 of the National Planning Policy Framework.

2 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable

housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 3 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.
- 4 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.
- 5 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 6 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 7 In good time, prior to the start of construction (or if appropriate, demolition) on site, the contractor shall discuss and agree with the Council's Engineering Service Network Management team (tel: 020-7974 2410) detailed arrangements for the transportation of goods and materials to and from the site. The Council will prosecute those responsible for any breaches of the provisions of the Highways and Litter Acts which occur as a result of construction on the site.
- 8 Noise from demolition and construction works is subject to control under the

Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

- 9 A Pre-Demolition Asbestos Survey must be carried out before the refurbishment commences.

The developer must provide an intrusive pre-demolition and refurbishment asbestos survey in accordance with HSG264 supported by an appropriate mitigation scheme to control risks to future occupiers. The scheme must be written by a suitably qualified person and shall be submitted to the LPA and must be approved prior to commencement of the development. The scheme as submitted shall demonstrably identify potential sources of asbestos contamination and detail removal or mitigation appropriate for the proposed end use. Detailed working methods are not required but the scheme of mitigation shall be independently verified to the satisfaction of the LPA prior to occupation.

Your attention is drawn to the notes attached to this notice which tell you about your Rights of Appeal and other information.

Yours faithfully

Ed Watson
Director of Culture & Environment

It's easy to make, pay for, track and comment on planning applications on line. Just go to www.camden.gov.uk/planning.

It is important to us to find out what our customers think about the service we provide. To help us in this respect, we would be very grateful if you could take a few moments to complete our online survey at the following website address: www.camden.gov.uk/dmfeedback. We will use the information you give us to help improve our services.
