

NOTE
 This drawing is not to be scaled.
 The general contractor is to notify Peldon Rose Limited of any discrepancies or variations relating to existing conditions and construction. The contractor is to carry out checks and surveys to confirm that design intent can be met and is responsible for environmental conditions in which it is to be installed.
 All information is subject to statutory approval & site survey.
 The general contractor is to notify Peldon Rose Limited in writing of all works that are required to be carried out prior to new works.
