Your comments

Dear Sirs,

Due to extended travel arrangements I only noticed the planning consultation to-day (27 January) - upon return to my flat.

I do object to the application for the following reasons:

- there have been no consultations by the developers with the residents/neither by the landlord or his representatives;
- I cannot see any planning how access to the site will be made; think about lift and fire escapes.
- Structural changes to the building with possible damage to other units.
- the Panorama is at one of the busiest street in NW3; there is a history of fatal road accidents locally; many bus routes are located just outside the Panorama, so road blockage will be very dangerous.

Thank you for the opportunity to be heard in this matter.

Yours sincerely,
