Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

*E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.*

Removal of four mature trees located adjacent to a badly leaning earth retaining wall. It is proposed to partially repair & re-build the earth retaining wall and as part of this work it is also proposed to remove the trees. Please see the attached plan - Retaining Wall Details Ref: 30768-01, which shows the location of the trees to be removed.
