5. Telecommunications Apparatus

Please specify the type of apparatus to be installed or altered (e.g. call box, mast):

The proposed works consist of the installation of 3 no. additional antennas painted to match brickwork; plus ancillary works.

Please provide further details of the apparatus (e.g. height, size, colour etc):

The proposed development involves the installation of 3 no. additional antennas, fixed on proposed offset brackets, mounted on the wall. The proposed new antennas are required in order to add 4G technology to the existing 2G-3G site. The proposed antennas will be fixed at the same location and height as the existing ones and coloured to match existing brickwork.

Are you replacing an existing installation? Yes No

Are you submitting a declaration confirming that the apparatus is in full compliance with the requirements of the radio frequency (RF) public exposure guidelines of the International Commission on Non-Ionizing Radiation Protection (ICNIRP)? The emissions from all mobile phone network operators' equipment on the site must be taken into account when determining compliance.

Yes No
