Dear Sir or Madam,

Re - Planning permission for  
1A Glastonbury Street  
London NW6 1QJ.

Reference - Application number - 2014/7654/P.

Council Reference number - 2014/2023/PRE.

I write to object to the Proposal by  
Cape Property Holdings Ltd. to demolish and  
redevelop the site of 1A Glastonbury Street  
from a vehicle repair and MOT centre to  
Residential - for the following reasons:-

1 Height of three or more stories

This would bring a changed skyline and huge  
reduction in outlook. Cutting out light  
and causing an overbearing effect and  
loss of privacy for houses backing onto the  
site.

2 Basement Safety

Drainage and Subsidence problems  
we have had flooding in the area in the  
past

There was also a rat problem, which would  
return because of open drains etc.

P.T.O.

3 Major Disruption

Disruption from building works of  
Noise, Lories and space taken up.

This is a Residential area with a  
Play Street and School.

Therefore will be unsafe for children.

4 Loss of a Working Garage

So loss for the General Public and  
the people who run their business.

Please confirm safe receipt of this  
letter by email (see over)

(I was unable to send this by email  
with your email address)

Please also keep me informed  
as matters progress by email (see over)

Thank you

Yours Faithfully
